PEOPLE

CHECK IT OUT!

I don't place limits on team membership!

I know he has to have a platform somewhere.

We'll negotiate before we play!

Yeah, I heard the same thing about her!

I'd rather be playing a Nestles' Crunch!

If we put the sprinkler here, do you think it will be close enough to the sidewalk?

Zonies do it in the end zone.

Let's see, 64 books at 25¢ a day, 3 days late . . .

The art classes sure do amazing things!

INDI . . . GESTION!!

TAB is for beautiful people.

I'll just slash my wrist if I don't get into this frat!

If I let him join, can he have Friday nights off?

No, Cindy the bolt is not coming out!

This one's for you Dad!

But officer, my car idles at 20 m.p.h.!!!

I get about 30,000 miles per Nike.

Air Supply or Hall and Oates?

I shouldn't have said I'd do anything to get on Work Study!

I guess it's better than having it blow up.

Add-Drop can be murder!!!

Dear Mom and Dad . . . P.S. Please send money!!!

Meals on wheels

This is smaller than my last apartment but there's more windows.

Listen College Boy, here's how you turn it on.

HOME, SUITE HOME.

I told you to do that before we got up here.

UCF's assassination squad.

99 bottles of beer on the wall . . .

Well, I could get the notes from someone tomorrow.

Disco Maintenance Man!!!

I have a mountain in the Everglades for sale . . . CHEAP!

A sure remedy for the parking problem???

Once a king always a king, BUT once a knight is enough!!!

Don't you just love people who pay attention to signs.

We love these outdoor classes!

Ponce Inlet Lighthouse

Located South of
Daytona Beach

Standing approximately 168 feet tall, the Ponce Inlet Lighthouse is said to be the tallest Lighthouse in the South. The majestic brick structure was commissioned to be built in 1887. It served as a guide to many sailors traveling the waters between St. Augustine and Cape Canaveral. The Lighthouse was closed in the late 1940's and has since undergone some renovations. The Lighthouse now stands as a tourist attraction. Contributions are used to keep up and preserve this marvelous piece of Daytona's history.

In 1963, with the soar of the space program, the University of Florida's College of Engineering established facilities to provide graduate-level Engineering in East-Central Florida at Gainesville, Daytona Beach, Orlando, Cape Canaveral, and West Palm Beach. All "centers" were tied together with television and student talk-back features.

The Orlando Center of GENESYS (Graduate Engineering Education SYStem) had its first building completed in 1965 and a second building was added in 1969. The 20 acres was donated to the State by the Martin-Marietta Corporation, a strong supporter of the program.

With the decline of the space industry, the increased cost of the television system and the growth of Florida Technological University to a mature university with a developed College of Engineering, it was decided to terminate the GENESYS Program and to transfer the Daytona Beach, Orlando and Canaveral centers to FTU and the West Palm Beach center to Florida Atlantic University. The transfer took place July 1, 1972 and the Orlando center was renamed Florida Technological University, South Orlando Resident Center (SORC).

The Fall of 1978 was the beginning of SOC's present-day role. When FTU became the University of Central Florida, the center gradually became known as its South Orlando Campus (SOC).

Administration & Faculty

The President . . .

Trevor Colbourn holds degrees from the University of London, the College of William and Mary and the John Hopkins University - where he secured his doctorate in American History in 1953. A peripatetic professor, he taught at Penn. State and Indiana Universities before serving as graduate dean at the University of New Hampshire (1967-1973) and Academic Vice President and Acting President at San Diego State University (1973-1978). He was designated president of what was then Florida Technological University in January 1978 but by the following December succeeded in changing the name of that institution to the University of Central Florida and thus far has survived both the name change and the introduction of a football program to UCF.

Dr. Colbourn is also a member of the Boards of Directors of the Orlando Area Chamber of Commerce, the United Way of Orange County, and the Orlando Opera Company, as well as the Kiwanis Club of Orlando.

Knight Soccer

The Knights once again won the Sunshine State Conference Crown by beating Rollins 2-1 in the championship game. This marks the third time that the University of Central Florida has won the title in its four years of competition. The Knights finished with a 12-3-1 record, their second best ever. The Knights placed five players on the Sunshine State Conference All State team, defenders Dave Fall and Matt Meyer, and midfielders Ed Myslinski, Mike Salvati, and Max-Rony Francois. Captain Ed Myslinski capped off his senior year by being named to the All South Squad.

The 1980 University of Central Florida football team scored 18 points in the final quarter of the season to win the last game, 18-14, over Emory & Henry and finish the season, 4-4-1. The exciting finish assured Coach Don Jonas' young squad of two years in collegiate football without a losing season record and an overall mark of 10-6-1.

UCF placed three players on the College Sports Information Directors OF America District III Academic All-American team. Running backs Mike Stapp of Orlando and Ron Johnson of Centerville, Ohio and tight end Mike Carter of Melbourne were selected for the team and were placed on the national ballot.

Lady Knights

Two sophomores, Meg Fahey and May Holopa led the team, both on the court and in the classroom.

They were selected to the COSIDA Academic All American Team. UCF, the defending Division II National Champion, were knocked out in the first round of the tournament this year.

They finished the season with a 13-9 record.

Wrestling

Five Knights grapplers qualified for the NCAA national Divisions II tournament, but for the first time had no All-Americans (last year UCF had 3 All-Americans last year). Coach Joe Corso's team won it's third consecutive state championship this season. However the team was eliminated in the Southern Regionals.

Volleyball

The University of Central Florida's volleyball team ended their season with a seventh place tie in the Division II National Tournament. This was the fifth time in five years the Lady Knights qualified to play in the National Tournament. They closed their season with a 27-27 record. The Lady Knights lost to Hawaii-Hilo in pool play competition and then went on to beat Eastern Illinois and the College of Charleston. That placed them second in their pool and they progressed to the double elimination finals.

Baseball

The Knights Baseball team received a welcome boost by some Junior College transfers. The Junior dominated team were 19-7-3 at midseason including 14 games against division one opponents. The Knights, who broke 21 team and individual records last season, are well on their way to another record setting year.

Team Captain, Billy Halpin, steals base. The knights set a record for basestealing before half the season was completed.

Tennis

This year, the men's tennis will have much to shoot for as last year's netters finished in a tie for 8th nationally and compiled a 21-7 record.

The team is not under the direction of first year Coach Van Gladfelter.

A nice follow-through.

Homecoming parade

Tribute to the late Dr. Martin Luther King, Jr.

Today, we all have come to pay homage to an apostle of nonviolence, one of the most publicized Black preachers in America, a leader of the people's army, a celebrated civil rights leader, a 20th century world hero, a Nobel prize winner, and lastly — a man, his name, Rev. Martin Luther King, Jr.

I realize that I can never fully express in words, all of the reasons why we as a people would honor this Black American martyr, because words can never fully captivate the beliefs, the accomplishments and the dreams of this God-sent man.

Nevertheless, we know that Dr. King died so that students like us and all across the nation could have the right to choose where we wanted to go to school without having armed police escort, he died in the hopes that businessmen like the ones seated here today would have an equal opportunity to advance beyond the mediocre jobs that were thrown at him for so long.

Martin Luther King died in the hopes that we would no longer have to shuffle from ghetto to ghetto, but could obtain decent housing like everyone else. He died in the hopes that just as water from the sky is called rain, and a bird is called a sparrow — a Black man could have a name and no longer would his first name be "Nigger" and his last name "boy".

But above all, Martin Luther King died with the hope in his heart that we as a people shall "overcome".

This man, Dr. Martin Luther King shed his blood for all these things and the purpose of our being here today is to remember the life and death of this man, and not let his bloodshed be in vain.

We shall remind ourselves of his dream that one day little Black boys and little Black girls can join hands with little White boys and little White girls and walk together as sisters and brothers. And let us not forget his everlasting dream that one day this nation will rise up and live in a nation where we will not be judged by the color of our skin, but by the content of our character.

We believe that he is significant today, not only as the leader of a movement that changed the country, but as an advocate of non-violent methods of social change in our violent times today.

Therefore, with these things in mind, let us hereby proceed to honor on this day, January 15, the birthday of Dr. Martin Luther King, Jan. 1929 - April 1968.

"We will not forget his sacrifice, and we will continue his work."

Student Government

Student Government was chartered in 1968, at what was then Florida Technological University. Over the years, as the university has grown so has the Student Government Association until today it now has a budget of over one million dollars.

Some of the areas Student Government are the Recreation Department, Intramurals, Intercollegiate Athletics, the Student Center, Dental Aid, Legal Aid, and many other projects services and organizations.

There are three branches of Student Government, the Executive, the Legislative (Senate), and the Judicial Council. The Executive and Legislative Branches are elected by the student body, while the Judicial Council is appointed by the President of the Student Body and confirmed by the Senate.

The President of the Student Body, James Blount.

The Vice-President of the Student Body, Marcos Marchena.

Army ROTC

Since it was established in 1979, the Army R.O.T.C. program has grown under the leadership of Major James D. Hornaday. Starting with twelve students, it has expanded to one of the largest organizations on campus with sixty three members.

This year the formation of the Color Guard and the Ranger program provided cadets with the opportunity for extracurricular activities.

The R.O.T.C. training program, under the able supervision of Sergeant First Class John A. Hill, was expanded to include: drownproofing, rappelling, field training exercises, drill and ceremonies, and the unit's first Airborne jump.

Social activities included: the Military Ball, a Halloween party, a Christmas party, and a Spring picnic.

The ultimate goal of the R.O.T.C. program is to produce highly trained officers for the U.S. Army, Army Reserve, and National Guard. This year, thirteen new 2nd Lieutenants were commissioned.

**CONGRATULATIONS
to all my fellow
1981 U.C.F. GRADUATES**

A gratifying thank you to my parents and family, but especially to my mother,

MRS. LUCY K. HAHNEL

for without who's self sacrifice, provisions, and support my graduation would not have been possible. Much time will be spent making all those study hours up to my wife,

MRS. FRANCES C. HAHNEL JR.

Fran, you saw me through those endless hours of study and homework. You were there when I succeeded and when I didn't do so well, always with words of encouragement, some loving, or another cup of coffee . . . Thank You.

Gratification is also given whole heartedly to all of my PROFESSORS who's presentation of such complex materials was accomplished so professionally.

Last, but not least, thank you HEAVENLY FATHER for giving me "the smarts" to put it all together in time to graduate.

FRANK J. HAHNEL, B.E.T.

**The Pegasus
Yearbook Staff
Congratulates
1980-1981
Graduating Seniors**

It is late at night. This deadline is due in the plant in a few days and like all the other deadlines were, it is nowhere near complete. But so goes nearly every yearbook staff's lament.

Each week, we live with a gripping fear that we'll come up with too few pages or too little copy or too many errors missed in the last minute surge of late night proofreading. But then, when the deadline material has been shipped off to the printers, we breath a sigh of relief.

This kind of insane commitment comes only with dedicated workers and, had it not been for certain people on the PEGASUS staff, you would not have this book before you now.

It has been four long months for the yearbook staff. Hours in the dark room, sleepless nights, and writers cramp. Structural problems, borrowed typewriters, missed deadlines, a lot of fast talking. Cut classes . . . how we cut classes, and tests . . . how we failed those tests. Please don't ask anyone on the staff the names of their instructors . . . they wouldn't know.

Varied are the memories which the PEGASUS staff will carry with them, especially the hours of work and frustration. Often we took two steps forward only to take one backward. But there are moments we will cherish, - the way humor could find its way into distressing situations.

As we pause to reflect upon the past year at UCF, we hope that you are able to relive some of the enjoyable experiences which are now cherished memories.

It is our wish that this annual will help you remember the year in which it was written, and the student body for whom it was produced.

If one picture focuses on a single, unforgettable moment for you, the purpose of this book will have been accomplished.
